

SHORT BIO STARGRO

CEO

ARI ABDULAH SAFARI is called Ari, born in Bandung on June 22, 1996. Ari took his education at Cicalengka 1 State Senior High School in 2011-2014, then continued his education in the Department of Animal Husbandry, Padjadjaran University (UNPAD) Bandung in 2014-2018.

Having experience in the student yudicative of the Faculty of Animal Husbandry Unpad, student legislative of the Faculty of Animal Husbandry, as well as being active outside the campus such as non-governmental organizations and martial arts Merpati Putih makes Ari a person who empathizes with the surrounding environment including in the fields of livestock and agriculture.

Ari is worried that the animal manure contamination that continues to be carried out by breeders can pollute the environment, and on the other, Ari is also worried about the excessive use of chemicals fertilizer in agriculture because it can reduce soil fertility. This concern is what led Ari to form StarGro to try to be a solution to this problem in farming and farming

CPO

MARSHAL AMPERRMEO SIHALOHO is called Marshal, born in Bandung on April 4, 1998. Marshal took his education at Santa Maria High School Bandung in 2013-2016, then continued his education in the agricultural engineering department of Padjadjaran University (UNPAD), Bandung until now.

Having a hobby of sports has made Marshal enter as a pencak silat athlete of Merpati Putih at UNPAD and has made quite brilliant achievements. In addition, his hobby for entrepreneurship and his concern about environmental pollution problems from agriculture made Marshal join the StarGro team as chief product officer.

COO

AUDRY RAHMASUCI YUDATAMA is called Riri, born in Sumedang on November 15, 1999. Riri is a disciplined and focused person, easy to socialize, and even works with new people. After taking his education at SMA Negeri 1 Sumedang in 2018, Riri continued his studies in the Department of Agronomy at the State Islamic University of Sunan Gunung Djati Bandung until now.

Having a hobby of farming and dreaming of helping Indonesian farmers to be more prosperous has made Riri join the StarGro team as chief operating officer.
